  grenades were heard from the Trost Kaserne in Vienna, which was guarded
  by a sentry wearing red-bordered black epaulets with tank insignia. Truck
  driver with red-bordered black epaulets, occupied by five
  25X1
  soldiers also wearing red-bordered black epaulets, left the installation.
  Seven tank trucks were parked under shed roofs on the empty drill ground
  of the installation. Some soldiers wearing red-bordered black epaulets
  with artillery or tank insingla were observed at the repair shop at
  109-111 Trost Strasse, in whose area five armored vehicles were parked. Truck

  was parked at the garage at the water tower on Windten Strasse
  which was guarded by a sentry wearing red-bordered black epaulets with
  artillery insignia. At least 15 motor vehicles including trucks

  were stored in the garage on Pernerstorf 25X1
  Gasse, which was guarded by a sentry who were red-bordered black epaulets.
  About 20 soldiers wearing red-bordered black epaulets were doing repair work
  on some of these vehicles. 1
- 2. On 15 April 1954, no activity whatsoever was observed at the main gate of the former Mionier Maserne in Klosterneuburg (0 49/S 30), which was guarded by a sentry wearing red-bordered black epaulets. The smokestacks behind the gate emitted no smoke. A tank truck was parked in front of the north-western gate, which was guarded by a sentry wearing black-bordered black exaulets. One smokestack on a section of the building behind the gate emitted smoke. For the first time 12 pontons were observed on a meadow in front of two large sheds covered with corrugated sheet metal at 8 Jahn Strasse. Two-wheeled trailers with hooks were seen near the pontons. Soldiers wearing black-bordered black and red-bordered black epaulets hauled to the loading ramp at the Klosterneuburg railroad 25X1 pontons Neither motor vehicles nor weapons were station by truck observed in the area of the former Pionier-Zeugamt (engineer ordnance depot), which was guarded by a sentry wearing red-bordered black epaulets. The garage for tank trucks on the drill ground southeast of the Pionier-Zeugamt was empty.
